In the event a driver declines the opportunity to drive on an activity trip, the offer will be extended to the next driver on the list. These lists will rotate beginning with the assignment of the first activity trip of the school year. The lists will be re-established at the beginning of each school year.
- D. Only the transportation director shall be authorized to make any modifications or adjustments to assigned activity trips.

Such employees shall be afforded the opportunity to apply as an internal candidate. - B. As part of such preferential consideration, support employees who request an interview shall be given an interview by the appropriate supervisor. (2017)
- C. If an employee's request for transfer is denied the employee shall, upon request, receive the reason or reasons for the denial in writing.

Section 5: Involuntary Transfers

- B. An individual may not be involuntarily assigned to a position for which he/she is not qualified unless in the judgment of the administration the individual has the necessary skill, experience and provided training to learn and apply the duties of the position.
- C. In the case of staff reductions in a program or school, those employees with the least seniority within their classification shall be reassigned first when the District decides to reassign personnel rather than engage in a layoff.
- D. Classification shall be determined by the classifications included on the salary schedule. In those instances in which the salary schedule lists categories within a broader classification the category shall constitute a separate classification for purposes of secretarial and clerical employees as pay grade 15, 17. In the event of a need to determine seniority the pay grade 15 secretary's seniority would be compared with other pay grade 15 secretaries; Pay grade 17 employees with other pay grade 17 employees. The same would apply to other broad classifications in which employees are ranked within the classification. Under no circumstances may an individual, regardless of seniority, be transferred to a position for which he/ she is not qualified.
- E. An involuntary transfer will be effected only after a meeting between the employee and administrative supervisor explaining the reasons for the transfer.
- F. An individual who is transferred to a different position voluntarily shall receive the salary listed for that job. An individual who is transferred involuntarily for any

reason other than disciplinary reasons shall receive his/her current pay or the pay for the new position, whichever is greater, for the remainder of that school year. The following year the employee shall receive the salary outlined on the salary schedule.

Section 6: Criticisms/Reprimands/Complaints

- A. No employee shall be disciplined or reprimanded in the presence of the employee's colleagues, students, or other person.
- B. The administrative supervisor shall discuss privately with the employee any complaints brought against the employee involving a decision or action taken by the employee.
 - 1. Employees should not be harassed, coerced, or intimidated by an administrator or supervisor.
- C. No disciplinary action against an employee shall be taken on the basis of a complaint by a student, parent, or District employee without an investigation by the administrative supervisor and justification that the complaint is valid. Such investigation shall require written complaint by the student, parent, or District employee and the employee shall be provided with an opportunity to respond to the complaint.
- D. If a conference or hearing is scheduled by an administrator involving the complainant and the employee, a private discussion between the employee and the administrative supervisor shall be held prior to the conference. The employee shall be entitled to have a Union representative present when in a conference or hearing with the complainant.

Section 7: Evaluations

- A. Employees will be made aware of the printed criteria and appraisal forms for evaluation at the beginning of each school year or during the first month of employment if the employee begins work after the school year has begun.
- B. Formal observation shall be conducted openly and with full knowledge of the person. Evaluations shall be for remedial and not punitive reasons.
- C. The evaluation shall be discussed with the employee before it is incorporated in the personnel file and within three (3) days from the time it is completed. An employee shall receive at least twenty-four (24) hour notice if an administrator other than the evaluator will be present during the discussion. If another administrator is present the employee shall have the opportunity to be accompanied by another District employee or a union representative. A copy will be given to the employee at the time of discussion. The employee will be asked to sign the evaluation form to indicate that the employee has had the opportunity to review it. An employee's signature does not necessarily indicate agreement with the evaluation. The employee may attach any responses to the evaluation within ten (10) workdays.
- D. The designated administrative supervisor shall provide the employee with definite,

positive assistance to improve the quality of their performance and to eliminate difficulties noted in any evaluation and provide a reasonable opportunity to correct any noted deficiencies in performance, not to exceed sixty (60) days. Such assistance shall be noted in writing at the time of the evaluation and a signed copy shall be retained by the supervisor and by the employee.

- E. Any violation of the procedures for conducting an evaluation shall be subject to the grievance procedure.
- F. Evaluation shall be made by the administrative supervisor, or the administrative supervisor's designee.
- G. Employees shall be evaluated at any time up to the last working day in the month of April.

Section 8: Personnel Files

- A. There shall be one official confidential file for each employee which shall be maintained in the Central Office. No additional official confidential files will be maintained.
- B. The employee's personnel file will be opened for inspection by the employee or the employee's Union representative with written permission from the employee.
- C. Provisions shall be made to assure privacy of personnel files and to protect the files from examination for other than legitimate purposes.
- D. No document shall be placed in the personnel file of an employee unless the employee has first had an opportunity to read the material and has signed and dated the copy to be filed. If the employee refuses to sign the document, such refusal shall be noted and attached to the document and placed in the personnel file. A copy of any document placed in the official personnel file shall be provided to the employee. A refusal to sign a document cannot lead to any disciplinary action.
- E. Any record adverse to the interest of an employee shall be removed from such file if, as the result of a grievance, it is demonstrated that the adverse record should not have been placed in the employee's personnel file.
- F. Documents placed in personnel files shall be signed and dated by the individual placing the document in the file.
- G. An employee may respond, in writing to any document placed in his/her file within ten (10) work days from the time the document is placed in the file.
- H. No anonymous charges shall be placed in the personnel file.
- I. For other than serious offenses, no disciplinary action shall be based on or supported by any document in the personnel file that is more than one (1) year old unless documentation suggests a pattern of misconduct within a period of three (3) years, or that has not been the result of a plan for improvement.

Section 9: Layoff/Recall

- A. When the Board of Education determines that a reduction in support staff is necessary and the Board identifies the area or areas to be reduced, the Board shall provide written notice to the Union and to each employee who will be affected by the reduction.
- B. The seniority of all employees shall begin with the employees starting date of employment. The employee's seniority shall not be diminished by paid leaves of

- absence or temporary layoff.
- C. In the event that a reduction in force becomes necessary the following procedures shall apply:
1. The least senior employee within an affected classification shall be the first laid off or reduced. However in no case may a person with seniority bump an individual with less seniority if the result would be placement of the senior employee in a position for which he or she is not qualified by virtue of training, skill or experience. For purposes of layoff/recall for Secretary/Clerical pay grade 15 shall constitute one (1) classification and pay grade 17 shall constitute a separate classification. For purposes of custodial/maintenance, each of the following will constitute an independent classification: custodian, painter/rough carpenter, electrician/plumber, carpenter, chief mechanic, assistant mechanic/head custodian, and printer. For purposes of instructional assistants, all assistants shall constitute one (1) classification. School bus drivers shall constitute a separate classification. Nutrition Service employees shall constitute a separate classification.
 2. Before any regular employee is laid off, temporary employees will be laid off.
 3. The Union shall be provided a Seniority List of the employees within the affected classifications.

D. Recall

Laid off employees shall be recalled in the order of seniority. Employees in layoff status will retain recall rights for one (1) year.

1. The District shall not hire any outside applicants for a vacancy in a classification where a laid off employee remains on recall list, nor shall the District transfer a current employee from another classification into a classification where the recall list exists.
2. When an individual on the recall list is notified of a vacancy, he/she shall have five (5) workdays from the receipt of a registered letter (return receipt required) to respond by registered letter or in person.
3. The superintendent shall interpret "no response" as refusal.
4. The recalled employee must report for duty within ten (10) calendar days of the first notification from the superintendent.
5. It is the responsibility of the individual who is on recall to notify the Superintendent, in writing, of a change of address. Failure to do so absolves the Board of Education from any responsibility to the individual.

Section 10: Workday/Work Year

- A. No employee shall be regularly scheduled to work more than a forty (40) hour week. In addition, no scheduled workday shall exceed eight (8) hours.

The packages will be submitted on the third Thursday in June. Items for negotiations shall be: five (5) Articles not including compensation and fringe benefits.

Sections submitted are: Random Sections

ARTICLE V: NEGOTIATIONS SESSIONS

All meetings shall be held on School District property and shall not exceed three (3) hours unless extended by mutual agreement. Meetings shall be held outside of regular work hours. Negotiations shall be conducted in closed sessions. Outside sources may be invited to meetings, if agreed to by both spokespersons in advance of the day of the meeting. Either party may caucus at any time. The agenda for the succeeding meeting will be established before adjournment of each meeting.

ARTICLE VI: EXCHANGE OF INFORMATION

Upon specific written request, the parties shall provide each other with information regarding negotiations. Material that has been made available to the Board will be made available to the Union. With mutual approval, individuals possessing data pertinent to both parties may be invited to present requested information during

negotiations sessions.

ARTICLE VII: THE AGREEMENT

Any agreement which has been tentatively agreed to by the negotiations teams of both parties shall be referred to as a tentative agreement. The evidence of such agreement shall be in writing and dated and initialed by the spokesperson of each team. Any member of the Union engaging in a strike shall be denied the full amount of his/her wages during the period of such violation. If the Union or its members engage in a strike, the Union shall cease to be recognized as representative of the unit and the School shall be relieved of the duty to negotiate with the Union or its representatives.

ARTICLE XI: AMENDMENTS

This Agreement shall continue in effect for successive fiscal year periods unless notice is given, in writing, between January 1 and January 31 of any year, by either party, that the party desires to modify, amend or terminate this Procedural Agreement. Once such notice is given, negotiations related to changes in this Agreement shall commence on a mutually agreeable date within thirty (30) days of such notice.

ARTICLE XII: DURATION OF AGREEMENT

The terms and conditions of the Procedural Agreement shall be implemented upon ratification by both parties. These terms and conditions shall bind both parties and shall remain in full force unless superseded by a subsequent agreement during the period of time the Union is legally elected and certified under law as the negotiating representative of the eligible support personnel.

A. Mediation

Within five (5) days after the declaration of impasse, a mediator will be chosen by mutual consent. The Federal Mediation and Conciliation Service shall be given first consideration. If the Federal Mediation and Conciliation Service is not available, a mediator will be chosen by mutual agreement. Upon such appointment, both parties shall abide by the mediation process implemented by the mediator in a good faith effort to resolve the impasse. If the mediator is unable to effect agreement between the parties, fact-finding will be implemented according to the laws of the State of Oklahoma.

B. Fact-finding: 70-0.S. - 509.7.

1. A fact finding committee consisting of three (3) members shall be formed. One (1) member shall be selected by the Union, and one (1) member shall be selected by the Board, within five (5) days. The third member shall be selected by the first two (2) members as follows: The parties shall notify the State Superintendent of Public Instruction that a fact finder is needed and request a list of potential fact finders from the State Superintendent. If no name on the list is agreeable to both parties, a coin toss shall occur with the party winning the toss having the right to strike a name from the list. The parties will then continue alternately striking names from the list until only one name remains. The person whose name remains on the list will serve as the chairperson of the fact finding committee.
2. The committee shall meet with the Board's and the Union's negotiation representatives for the purpose of fact finding.
3. Within five (5) days after the selection of a chairperson, the representatives of the parties shall meet to exchange written language on each item at impasse. The exchanged documents shall be furnished to the chairperson and other members of the committee. Each item being submitted to fact finding shall show the last position taken by each negotiating team.
4. The cost for the services of the fact finding committee, including per diem expenses, if any, and actual and necessary travel expenses shall be shared in the following manner: the Board shall assume the expenses of the representative selected by the Board, the Union shall assume the expenses of the representative selected by the Union, and the expenses of the third member shall be shared equally by the Board and the Union.
5. The fact finding committee shall have authority to establish procedural rules, conduct investigations, and hold hearings during which each party shall be given an opportunity to present its case with supporting evidence.
6. All hearings by the fact finding committee shall be conducted in closed session.
7. The chairperson shall convene the committee for fact finding. The committee shall meet with the representatives of both parties and within twenty (20) days after the fact finding meeting shall present its written recommendation to the Board and the Union. The report shall set forth findings of fact and recommendations on the issues submitted.
8. If either party decides it must reject one or more of the committee's recommendations, said party must, within seven (7) days after the committee has presented its recommendations, request a meeting of the representatives who have been negotiating for the Board and the Union. The parties shall meet within seven (7) days of the request, unless both parties deem it unnecessary. At such meeting, the parties shall exchange written statements expressing each party's rationale for rejecting each recommendation found unacceptable and shall attempt to clarify any remaining differences. The representatives shall then resume a good faith effort to resolve the remaining differences; provided, after fourteen (14) days after the exchange of written statements, as provided for by this section, either part may discontinue such effort.
9. The Board shall file a copy of the fact finding report with the office of the State

Superintendent of Public Instruction. If the effort to resolve differences is successful, the parties shall draft a written agreement and present the agreement to both parties for ratification, and upon ratification such agreement shall also be forwarded to the State Superintendent. If the effort to resolve differences is unsuccessful, the Board shall forward to the State Superintendent in writing its final disposition of the negotiations impasse process within thirty (30) days of the effective date of implementation.
