

Immunization Requirements: No student shall be permitted to enroll in District unless the student presents to the school at the student's initial enrollment either:

- A. Certification from a licensed physician or authorized representative of the State Department of Public Health that such student has received, or is in the process of receiving, immunizations required by the Department of Public Health, or that such student is likely to be immune as a result of the disease; or
- B. A Certificate of Exemption form stating that the child is exempt from the immunization requirements on the ground that (1) the physical condition of the student is such that immunization would endanger the life or health of a student, signed by a physician; (2) the parent, guardian or person having legal custody of the child objects to such tests or immunizations for religious reasons; or (3) the parents, guardian or person having legal custody of the student claims an exemption for personal reasons. A copy of the Certificate of Exemption will be forwarded to the Department of Public Health for review and approval.
