Issue No. 5 | March 2022

*Our March Shout Out goes to Will Rogers:
Thanks to Donna, Jacque and JoAnn for
keeping things running smoothly while our
Cafeteria Manager is out.*

I wanted to thank you for supporting me as your director for the past year and 7 months! You have been a great team to work with at Shawnee for the past 7 years and 7 months. It's hard to believe that much time has passed because it flew by! I will cherish the times we've had: the good, the bad and the ugly. Lol. We made it through the challenging COVID-19 pandemic and rocked it as a team as we got kids fed from school buses for months on end. It seemed to never end, but we made it through that difficult time. I could not have made it through every part of that difficult and challenging time without you. Each and every one of you holds a special place in my heart. I love you all. I am sad that I wasn't able to visit you at your sites on my last day, but I will definitely keep in touch. I will miss you, but I know I will see you in the future at trainings/conferences. We are School Nutrition staff, and we can make it through anything!
