Issue No. 6 | May 2022

Our May - July Shout Outs go to SECC and Horace Mann. Neither equipment failures nor lack of staff have kept these awesome lunch heroes from getting our students fed. Thanks, ladies!

Ingredients for Scoop of Heaven Trifle:

Devil's Food cake
sweetened condensed milk
whipped cream
caramel syrup
Heath English Toffee Bits
Heath candy bar (optional)

How to Make Scoop of Heaven Trifle:

To get things started, prepare your Devil's Food cake according to the box directions. After baking, when the cake is still warm, cut it into small squares. With the cake still in the pan, pour sweetened condensed milk evenly over it. Allow it to soak in while the cake cools. This is where the magic happens. This ooey-goey-ness is exactly what will steal your heart! Once the cake is cooled, spread 1/3 of it in the bottom of the trifle bowl. Now it is time to create all those delicious layers. Cover the cake pieces with 1/3 of the whipped cream, 1/3 of the caramel, and 1/3 of the Heath English Toffee Bits. To create the remainder of the trifle, make two more layers the exact same way. Finally, finish your masterpiece by sprinkling on a crushed Heath bar. After refrigerating for at least 2 hours, it is time to [enjoy!](#)
